## **Ballintubber, County Roscommon**

### **OVERALL DEVELOPMENTAL APPROACH**

Thank you for completed entry form, letter, and photographs and welcome to this years Tidy Towns Competition. A lot of work has taken place over the past year and the benefits of the first phase of the village renewal plan are now clearly evident.

### **THE BUILT ENVIRONMENT**

The stone walls, new footpaths and kerbing on the approach roads look really well. Most of the business premises in the village are making a good effort. It is a pity the grounds at the Garda Station are unkept. There is a new housing development on the Roscommon Road and some building materials and rubble are about.

### **LANDSCAPING**

The landscaping work which has taken place on the approach roads from Castlerea are particularly nice as is the landscaping of the Amenity Park and Church car-park. Well done to all involved.

### **WILDLIFE AND NATURAL AMENITIES**

As mentioned in last years report there is plenty of birdlife around the Abbey. Try to identify which ones are common to the area and erect an information board of same.

### **LITTER CONTROL**

There was very little evidence of litter on my visit. There was however plenty of your newly painted blue bins.

### **TIDINESS**

There is a general air of neatness and tidiness in the village.

### **RESIDENTIAL AREAS**

Residential area are well maintained with some really lovely gardens, with the exception of one or two who spoil it for those who have put so much effort in.

### **ROADS, STREETS AND BACK AREAS**

The streets look particularly well with new tarmac, raised paths and kerbing in place.

### **GENERAL IMPRESSION**

Ballintubber is a lovely village, it has real potential – the village renewal scheme has made a major impact, together with your own very hard working committee. Well Done and keep up the good work.
