Green Spaces and Landscaping

80 Marks

Communities should demonstrate the following: The planning, design and management of green spaces. The selection and appropriate siting of trees and their ongoing maintenance, including formative pruning, watering and attention to the stakes and ties. Presentation of landscaping of all entrances to your town/village/locality in consultation with your local authority, where appropriate. The use of suitable plants for hedges and shrubs for year-round effect is important as is the siting of seasonal planting schemes where you wish to highlight important areas. The use of plant containers can provide impact where it is not possible to plant directly into the ground. To reduce maintenance tasks, limit the use of containers. To demonstrate the year-round impact of the landscape works in your community, you are encouraged to provide dated photographs of, for example, planting schemes which are not evident in summertime.

Residential Streets & Housing Areas

55 Marks

Residential streets that include Town Houses are integral parts of towns and villages and should be treated in a similar fashion to public and private housing developments. Consideration is given to proper presentation and maintenance of all properties with due cognisance given to maintenance of frontages, boundary and gable end walls. Gardens, where applicable, should be presented to a good standard. In housing developments green areas should be cut regularly. Children's play areas to be considered with equipment maintained to best standards. Where possible individual estates should have suitable name signs - stones, plaques, signposts, etc., preferably bilingual. Unfinished estates will not reflect badly on the efforts of any community, but examples of how the community is addressing this issue should be highlighted.

Mapping your town or village

Please draw or attach a sketched or printed map of your town/village/area with street and place names and prominent landmarks. The locations of your new work for this year's competition should also be marked. Ensure each project is clearly listed in the legend.

Please refer to the 2026 SuperValu TidyTowns Information Booklet available on www.tidytowns.ie

Please note the following advice.

- A hand-drawn map is perfectly acceptable if a formal printed map is not available or suitable.
- Map should be a manageable size, A4 or A3 depending on the layout of your town or village.
- Please name priority streets/roads as necessary and mark the key public buildings/landmarks.
- You are advised not to use Google mapping.
- You may find Ordnance Survey Ireland Urban (or Rural as applicable) 'Place' Maps most useful.
- Examples of effective maps can be found at www.tidytowns.ie in addition to A4 and A3 map graph templates.
- A clear legend is essential; please ensure that a unique numbering sequence is applied.

Tips on Completing this form:

- Be mindful of the volume of material you submit, the Adjudicator has limited time to review your work during their adjudication so it should be presented in a clear and concise manner.
- Please ensure you have included a map of your area and your TidyTowns 3/5-year plan with your entry. You can upload these with your completed entry form on the TidyTowns website – you will not be able to register your entry without a map.
- You can also upload photographs to accompany your entry form
- Don't forget to enter our Special Awards, information can be found on www.tidytowns.ie
